WARRANTY POLICY

Safe Fuel Systems, Inc. overhaul service warrants that all articles furnished at the time of delivery will be free from defects in material and workmanship.

Obligation under warranty however, will be limited to repairing or replacing any unit that is returned within the stipulated warranty period, and is limited to mechanical or electromechanical assemblies that were replaced at time of repair or overhaul. No other warranties shall be expressed or implied by law or otherwise, and no further obligation or liability shall be incurred by this facility by reason of sale or use of any such product. In no event shall this facility be liable for special or consequential damages. Safe Fuel Systems shall not be responsible for equipment removal, examination, reinstallation, or transportation.

Safe Fuel Systems shall not be obligated hereunder, if inspection discloses the apparent defects are due to tampering, improper handling or use, improper operation or storage, or otherwise not maintained in accordance with the published instructions, or if any attempt is made to repair seemingly defective units.

REPAIRS

Safe Fuel Systems liability hereunder is conditioned on defects becoming apparent within six **(6) month** from date of shipment of such item to the first user. This warranty does not give full coverage on any failure during this time period, but is limited to the repair or replacement of the parts and / or sub-assemblies replaced during the service performed.

OVERHAUL

Safe Fuel Systems liability hereunder is conditioned on defects becoming apparent within eighteen **(18) months** from date of shipment of such item to the first user. This warranty covers labor & parts previously replaced by Safe Fuel Systems, Inc. at time of overhaul.

SHIPPING

Any unit returned to SFS for warranty consideration must be shipped via prepaid transportation. Any unit damaged in shipment must be reported to and/or inspected by the common carrier, and a written report made of damages must be made at the receiving destination. SFS shall not be held liable for shipping damage or related consequential damages.

EXCLUSIONS TO WARRANTY

Warranties for units that have been subjected to misuse, neglect, or contamination; damaged by accident; rendered defective by improper storage, installation, removal, operation, or maintenance; by aircraft or aircraft wiring.
